BAR SERVICE NOTES

Bill on Consumption Bar Packages (BOC)

Liquor consumed on a “bill on consumption” basis will be charged per serving portion based on consumption determined by cocktail recipe.

Walt Disney World’s standard for an alcohol portion is based on a 1 ¼ ounce pour. If a double pour is requested by a Guest, 2 ½ ounces will be poured and will be billed as a Double Cocktail.

Martinis and multi-liquor cocktails will be counted and billed as Double Cocktails.

Walt Disney World’s standard wine pour is 5 ounces.

Wine Service

When wine service is requested to be poured table-side at plated or buffet dinner events, wine will need to be purchased and charged “Bill on Consumption” (BOC) based on the retail tier of the bottle of wine++.

*If additional bar service is required in that function, it would need to be charged as “Bill on Consumption” or “Cash”.

Labor Charge

A Bartender Fee of \$150+ per bar will be applied for all Bars. For every \$500 in bar sales (1) Bartender Fee is waived.

Additional bartenders can be requested for a service fee of \$150+ per bartender. (The fee for additional bartenders shall not be waived.)

A Cashier Fee of \$120+ per cashier for up to four hours will be applied. Every \$500 in bar sales (1) Cashier Fee is waived.

The number of cashiers required for an event will be determined by catering operations.

Florida Responsible Vendor Law

Walt Disney World Co. is the only entity licensed to sell alcoholic beverages at the Walt Disney World® Resort; therefore, Walt Disney World Co. employees must staff all bars and sell and serve all alcoholic beverages. Walt Disney World Co. participates in Florida’s Responsible Vendor program and bartenders and servers are required to monitor the age of all persons consuming alcoholic beverages on the premises.

*We are happy to discuss and attempt to accommodate any special dietary requirements for your upcoming event. For individuals in your group with food allergies, they must use their own direction on which food items to consume, as we cannot guarantee that allergens were not introduced during another stage of production, including ours. All Prices Subject to Change.
All Prices Subject to a 24% Service Charge and 6.5% Sales Tax. Effective August 2017. Expires September 2018.*

BANQUET/CONVENTION POLICIES

Food and Beverage / Planned Function Policy:

A service charge and a sales tax (currently 24% and 6.5%, respectively) will be added to all food and beverage costs. The service charge is taxable. All prices are quoted per person unless otherwise indicated.

An additional service charge of \$75.00 will be applied to each meal function with a guarantee of 19 or fewer attendees.

We must receive a final guarantee of attendance for Food and Beverage, Disney Institute Programming, Golf and Recreational Activities at least 48 hours in advance (or by 12:00 noon on the preceding Friday for functions scheduled on Sunday, Monday or Tuesday). If you do not do so, we will assume that the last figure received is the final guarantee. You will be billed for actual attendance or the final guarantee, whichever is higher (subject to any guaranteed minimum).

The Florida Beverage Law prohibits the consumption or possession of alcoholic beverages by any person under the age of 21. Upon your request at the conclusion of your food and beverage functions, wine that was purchased by the bottle and partially consumed may be removed by you in accordance with Florida law. If you elect not to remove partially consumed bottles, such bottles shall be deemed transferred to us for no additional consideration. This paragraph does not apply in the case of hosted bars (where wine is purchased on a "by the drink" basis) or packaged bars (where wine is provided on an hourly/per person basis).

Labor Charge:

A Bartender Fee of \$150+ per bar will be applied for all Bars. For every \$500 in bar sales (1) Bartender Fee is waived.

Additional bartenders can be requested for a service fee of \$150+ per bartender. (The fee for additional bartenders shall not be waived.)

A Cashier Fee of \$120+ per cashier for up to four hours will be applied. Every \$500 in bar sales (1) Cashier Fee is waived.

The number of cashiers required for an event will be determined by catering operations

Outdoor Functions:

The decision to move an outdoor event to an indoor location (if available) will be made five hours before the event start time based on various factors including, but not limited to, the complexity of the event, prevailing weather conditions, and the local forecast. Disney will make this decision in the exercise of its sole discretion.
